❖  
**BEST PRACTICES INNOVATION COLLABORATIVE**  
❖

MAY 1, 2013

NATIONAL ACADEMY OF SCIENCES BUILDING

LECTURE ROOM

2101 CONSTITUTION AVENUE, NW

WASHINGTON, DC 20418

**Meeting goals**

1. Review progress and next steps to advance BPIC's collaborative work on the patient's role on the care team.
2. Identify opportunities to increase the effectiveness of community care networks in engaging with health professionals and patients.
3. Identify next steps and future opportunities for BPIC participants.

8:30 am **Coffee and light breakfast available**

9:00 am **Welcome, introductions, and meeting overview**

**Welcome from the IOM**

*Michael McGinnis, Institute of Medicine*

**Opening remarks and meeting overview by Collaborative Chairs**

*Michael M.E. Johns, Emory University*

*Mary D. Naylor, University of Pennsylvania*

9:15 am **Patients as team members: project update**

During this session, the work group on the patient on the care team will report on the project focus and progress made.

*Sally Okun, PatientsLikeMe (co-chair)*

*Stephen Schoenbaum, Josiah Macy, Jr. Foundation (co-chair)*

*Reflections from work group members*

*Q&A and Open Discussion*

10:30 am **Break**

10:45 am

**Patients as team members: tools and strategies for patients/caregivers**

This session will explore perspectives and strategies that support and engage patients, family members, and caregivers in the team care process, including supportive processes and technology.

**Cloud computing and self-management of digital images**

*David Mendelson, The Mount Sinai Medical Center*

**Wireless monitoring and care**

*Jonathan Javitt, Telcare*

**Providing patient support with group visits**

*Sharon Schindler Rising, Centering Healthcare Institute*

*Q&A and Open Discussion*

12:15 pm

**Lunch conversation**

BPIC co-chair Mary Naylor will lead a lunchtime discussion, exploring the Collaborative's reactions to conference recommendations from the Josiah Macy, Jr. Foundation, which focus on aligning interprofessional education with clinical practice redesign.

1:30 pm

**Enhancing workforce resources by building care communities**

This session will explore strategies and unexpected challenges in addressing potential workforce shortages by building integrated care communities, and by using technology and networks to connect patients with health resources and professionals.

**Statewide care network**

*L. Allen Dobson, Community Care of North Carolina*

**Perspectives from Area Health Education Centers (AHECs)**

*Karen Purcell, Capital AHEC*

*Robert M. Trachtenberg, National AHEC Organization*

*Q&A and Open Discussion*

2:30 pm

**BPIC issues and opportunities moving forward**

During this session, meeting participants will reflect on progress made and brainstorm potential new opportunities for Collaborative action.

3:15 pm

**Summary and next steps**

**Comments from the Chairs**

**Comments and thanks from the IOM**

3:30 pm

**Adjourn**
