IOM ROUNDTABLE ON VALUE & SCIENCE-DRIVEN HEALTH CARE

◆ CLINICAL EFFECTIVENESS RESEARCH INNOVATION COLLABORATIVE ◆

JULY 25, 2013
KECK CENTER OF THE NATIONAL ACADEMIES
ROOM 100
500 5TH STREET, NW
WASHINGTON, DC 20001

Meeting goals

1. Explore key action items related to the changing state of clinical research.
2. Summarize key takeaways from recent IOM workshops on clinical research—including Large Simple Trials and Observational Studies—and discuss CERIC next steps.
3. Review the recently released CERIC discussion paper on making the case for learning from routinely collected health data, and discuss potential next steps.

8:30 am **Coffee and light breakfast available**

9:00 am	Welcome, introductions, and meeting overview
---------	---

Welcome from the IOM

Michael McGinnis, Institute of Medicine

Opening remarks and meeting overview by Collaborative Chairs

Ralph Horwitz, GlaxoSmithKline

Richard Platt, Harvard Medical School

9:15 am	A 21st century vision for clinical research: policy needs
---------	---

This session will consider the opportunities for an evolving and improving clinical research infrastructure. Discussion will center on actionable items gleaned from recent IOM workshops on large simple trials and observational studies.

Overview

Ralph Horwitz, GlaxoSmithKline

Adaptive approaches to evidence generation

Elliott Levy, Bristol-Myers Squibb

Registration of observational studies

Deborah Zarin, National Library of Medicine

Developing an organizational culture of learning: engaging health systems leaders

Joe Selby, Patient-Centered Outcomes Research Institute

Engaging patients in the value of learning

Stacey Lihn, Sisters by Heart

Discussion of clinical research vision

Moderator: *Ralph Horwitz*, GlaxoSmithKline

Q&A and Open Discussion

11:45 am

Making the case for learning from routine data

This session will be a summary of the discussion paper produced by CERIC participants followed by a discussion of potential next steps.

Mick Murray, Regenstrief Institute

12:30 pm

Summary and next steps

Comments from the Chairs

Ralph Horwitz, GlaxoSmithKline

Richard Platt, Harvard Medical School

Comments and thanks from the IOM

Michael McGinnis, Institute of Medicine

1:00 pm

Adjourn – Boxed lunches will be available for pick up
