

CESR

Center for Effectiveness & Safety Research

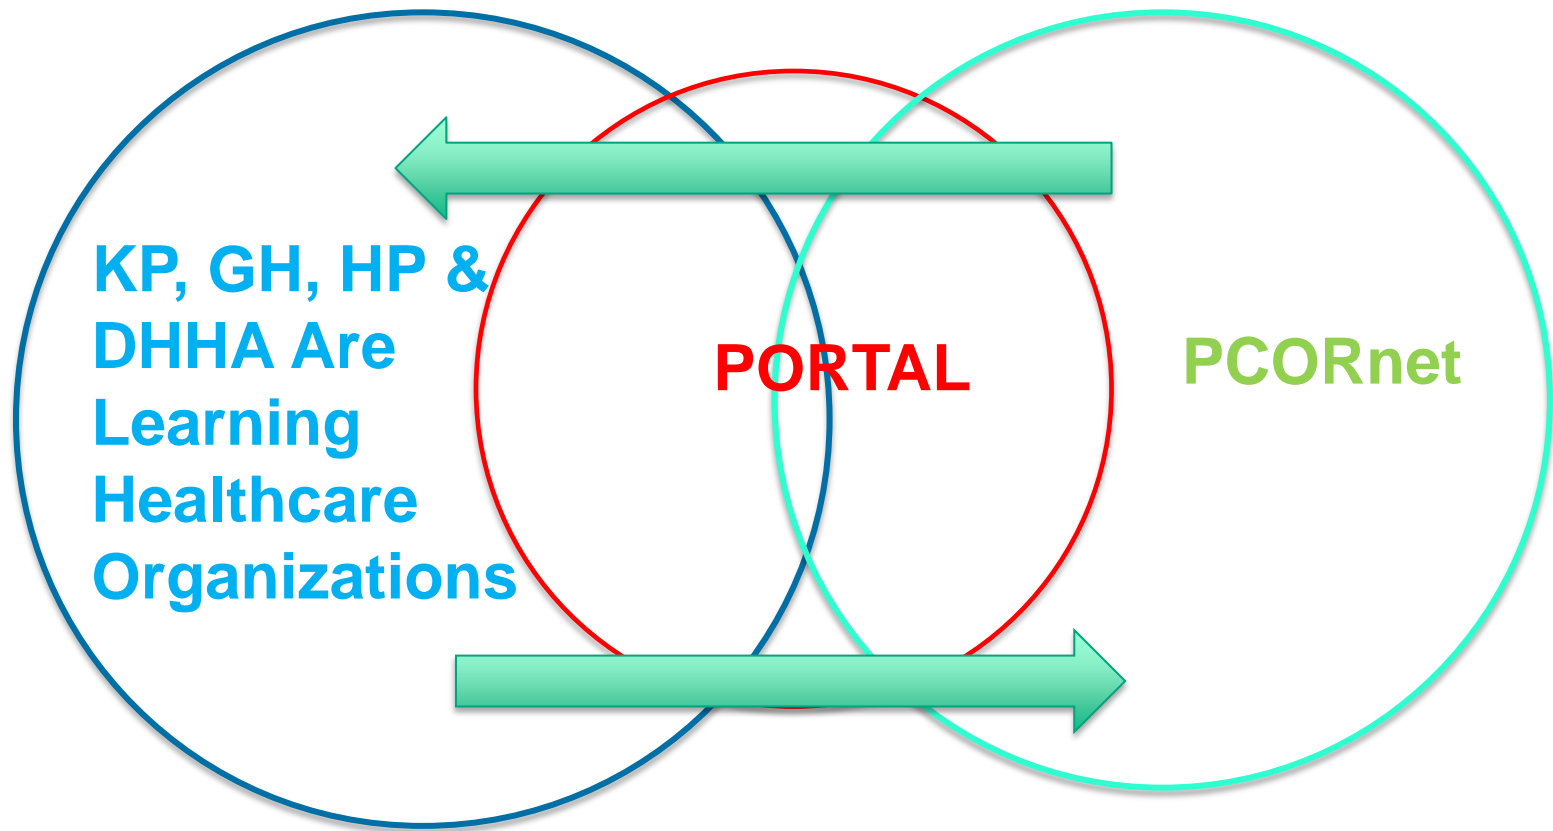

Patient Outcomes Research to Advance Learning

Raymond J. Baxter, Ph.D. & Elizabeth A. McGlynn, Ph.D. for the PORTAL Team

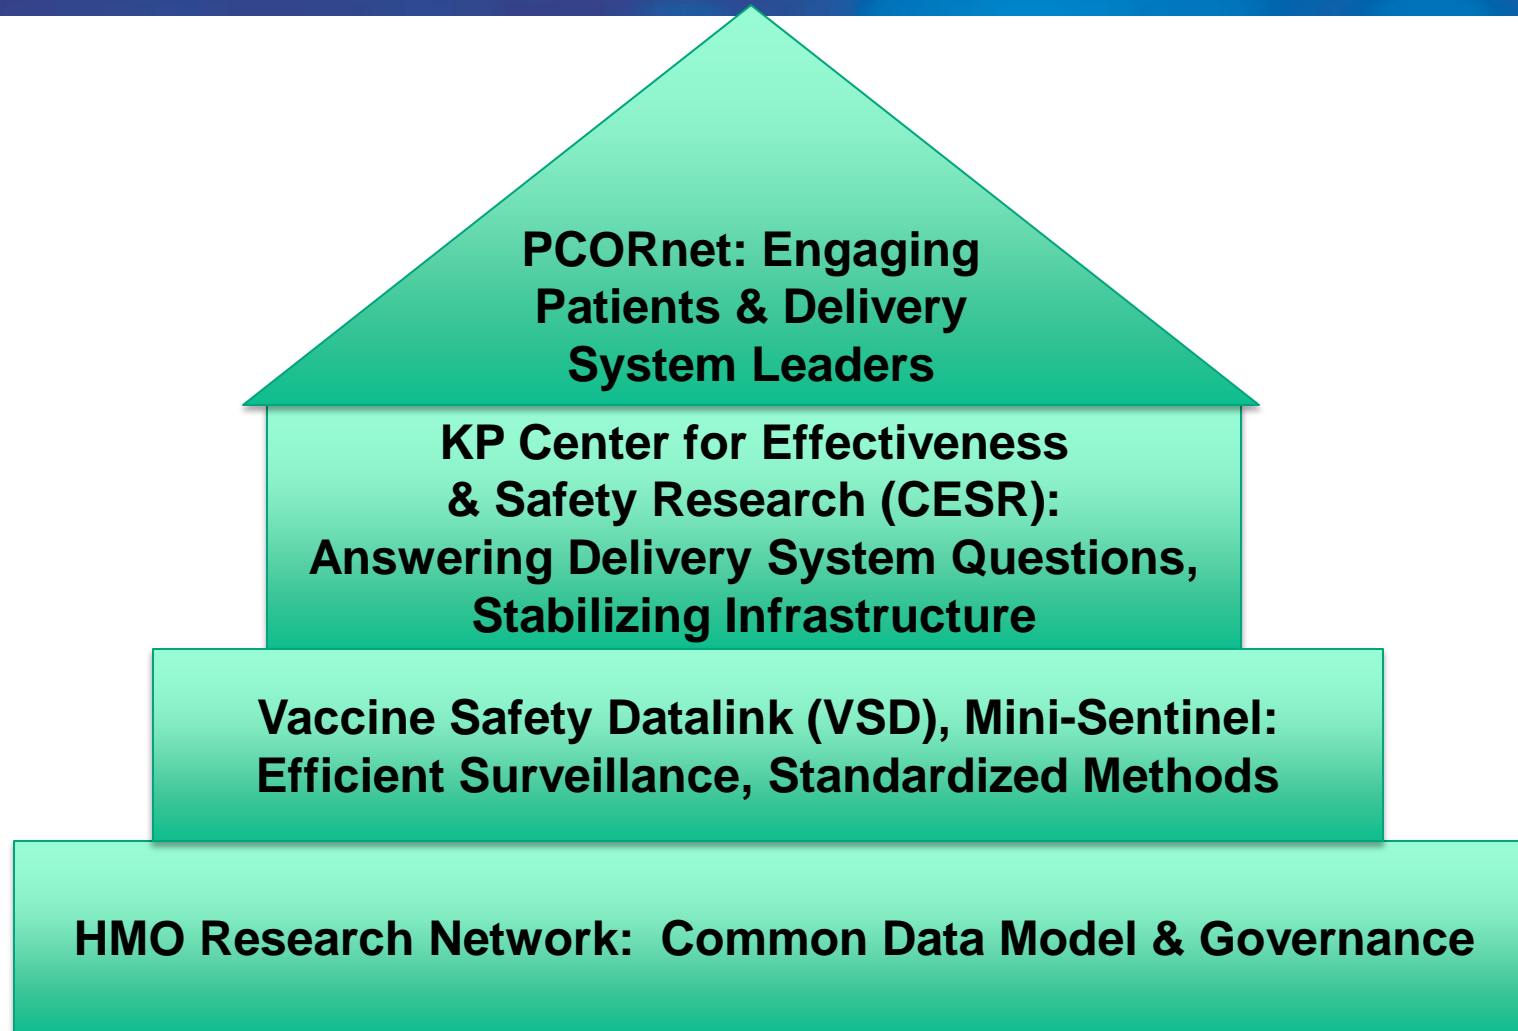

The PORTAL Network Partners

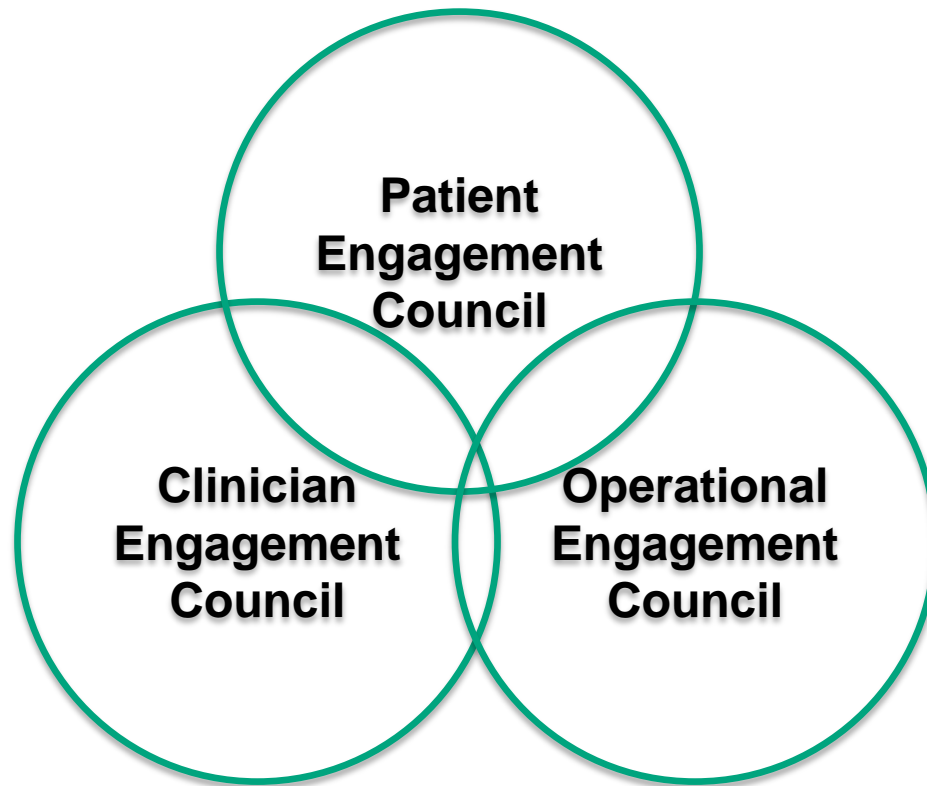

PORTAL Facilitates & Accelerates Broad Engagement in Learning

This Isn't Our First Network Rodeo...

Stakeholders are at the Heart of PORTAL's Organizational Structure

Proof-of-Concept Demonstrated by the PORTAL Cohorts

- Enrolled Population (PCORnet Common Data Model) [11M]
- Colorectal Cancer (common condition) [12,000]
 - Heather Feigelson (KPCO) & Doug Corley (KPNC) leading
 - Focus on treatment & survivorship
- Adolescents and Adults with Severe Congenital Heart Disease (rare condition) [330]
 - Alan Go (KPNC) & Jersey Chen (KPMAS) leading
 - Focus on transitions in care
- Obesity [3.2M]
 - Debbie Young (KPSC) leading
 - Focused on adults

Putting It Together: Enhancing Our Ability to Embed Research in Routine Care Delivery
