

50 years NATIONAL ACADEMY of MEDICINE

Founded in 1970 as the Institute of Medicine

2019 Honor Roll of Donors

We gratefully acknowledge the following members and friends who have made generous charitable lifetime contributions. Their collective, private philanthropy enhances the impact of the Academies as advisor to the nation on matters of science, engineering, and medicine. Recently, three new giving societies were introduced, recognizing donors at \$250,000 and above. Boldfaced names are NAM members.

The Lincoln Society

In recognition of members and friends who have made lifetime contributions of \$1,000,000 or more to the National Academy of Sciences, National Academy of Engineering, or National Academy of Medicine.

Annual Recognition Societies

The National Academy of Medicine gratefully acknowledges the following members and friends who made charitable contributions during 2019 to support the NAM, and those NAM members who supported the Committee on Human Rights, a joint committee of the three academies. The collective, private philanthropy of these individuals enables the NAM to fulfill its mission to build a healthier future. We acknowledge contributions made as personal gifts or as gifts facilitated by the donor through a donor advised fund, matching gift program, or family foundation.
