**REGISTER NOW**

WEBINAR DATE: 20<sup>TH</sup> JAN 2026

TIME: 2PM WAT (GMT+0)  
4PM CAT/SAST (GMT+2)  
5PM EAT (GMT+3)

### Who Should Apply?

- ✓ **Product Developers/Innovators:** Are you a product developer, innovator or entrepreneur with an undergraduate degree and a minimum of 3-8 years of experience in women's health innovation?
  - ✓ **Reproductive Health Researchers:** Do you have a minimum of a master's degree completed within the past 10-15 years, with training and experience in women's health research?
- AND**
- ✓ Can you commit 1.5 days a week to a fellowship that will change your Career? If yes, we invite you to apply for the LEA-WH fellowship Program.

### Selection Criteria:

Participants will be selected through an open, merit-based competition requiring submission of the application package and, for shortlisted candidates, a virtual interview. Selection will be based on:

- ✓ Demonstrated knowledge and engagement in women's health research.
- ✓ Personal interest and commitment
- ✓ Relevance of the fellowship to the applicant's current stage of career development
- ✓ Alignment of the applicant's research field to the program themes.
- ✓ Quality and relevance of the proposed research or innovation idea to be developed through the program.

- First Virtual Convening is scheduled for **30th April 2026**.
- In-person Immersion week is **11th-15th May, 2026**
- This is a Non-Salaried Position

### Application Requirements:

- ✓ Updated CV
- ✓ Personal Statement
- ✓ Proof of Terminal Degree
- ✓ Research/Innovation Concept for a Women's Health Solution to be developed during the program.
- ✓ Two reference letters, including one from your line supervisor confirming institutional support
